September 2021

We had 16 young people complete their practice Bronze Duke of Edinburgh's Award expedition at the start of August and their assessed at the end with all participants successfully passing their expedition section.

We put on a 'Summer of Play' timetable for the young people to try out a variety of activities. These were: soft play, swimming, roller skating, laser quest, land boarding & a beach sports session. All the sessions were popular, and we will look to do something similar for next year. Everything was paid for by us, so money was not a barrier to take part. We met lots of new young people this summer through these activities.

We held a Macmillan Coffee Morning on Saturday 25th September. We managed to raise a brilliant £317 for the charity and had a wonderful day meeting new people who hadn't heard of us before and informing people what we do.

Two young people set up a stall at Network Ryde to sell some of our fresh produce grown by our young people at the Network Ryde allotment and raised £40.
